Attendance Matters

Activity Book

Hello! It's great to meet you!

This activity book belongs to you! You can write down anything you want. Use your imagination!

My name is: _____

I am _____ years old.

When I graduate, I want to: _____

I am very good at: _____

I want to get better at: _____

My favorite part of school is: _____

I wish my school had: _____

I know I can achieve my dreams because: _____

**You can be anything you set your mind to,
if you continue to go to school every day!**

Serving up Success

What career is represented here? _____

She is serving something interesting. What does success look like? Did she bake a giant cake? Maybe it's not food at all. Draw something she can be proud of!

Crossword Puzzle

Use the clues to find the words.

Fallen Phrase

Try to rebuild the phrase.

The empty letters from the puzzle are scrambled below into columns. Match up the letters to the empty boxes directly above them to complete the phrase!

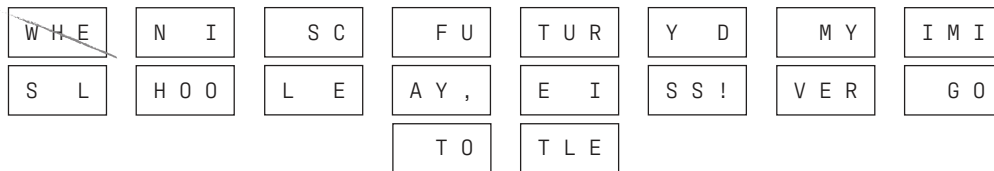

↑

K P H
 N D C
 U A O I S A U
 E Ø I N U B O O T O A C D H L Y N
 N O A T T A R O B M I I I O R E R T M O E
 A D O L I C E L Y W A M N E E G T E S C S B S N A E
 M H R C G F O A E H E H R U I N N C I A A M S Y O D N R N

Letter Tiles

Unscramble the tiles to reveal a message!

Each tile is only used once. Use spacing, punctuation, and common words to find the neighboring tiles. Some words may be split across lines.

Plans for the Future

As you continue to grow as a person and further your education, your future has unlimited possibilities. Now's your chance to apply that to someone else. What do you think he should be?

Example: Zookeeper. What does a zookeeper wear? Maybe he has equipment, or an animal companion.

Unscramble the words to find the secret message.

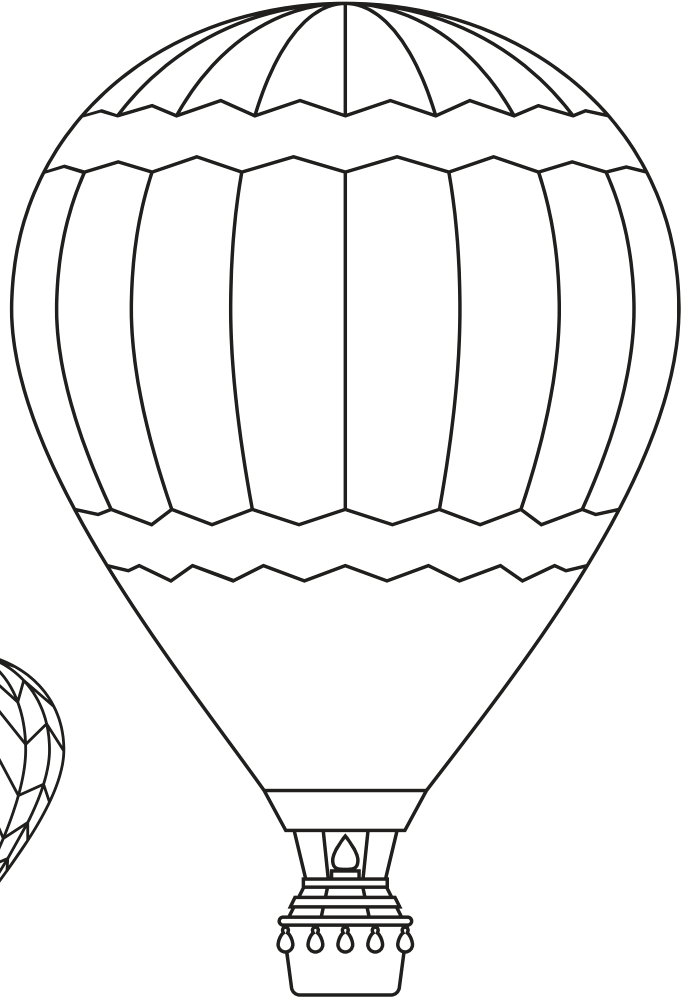

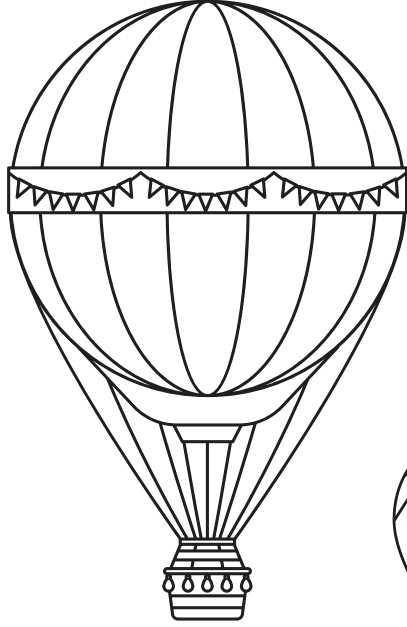

Write the unscrambled word in the boxes to the right. Once all words have been unscrambled, form the final secret message by unscrambling the message created by all of the circled letters.

Choose Your Destiny

Have you decided what you want to be after you graduate from school? It's okay if you don't know yet. Even if you're not sure, imagine where you'd like to be. Maybe you're a fashion designer, or a professional athlete. Perhaps something different! Draw yourself below and design the ultimate profession outfit!

Onward!

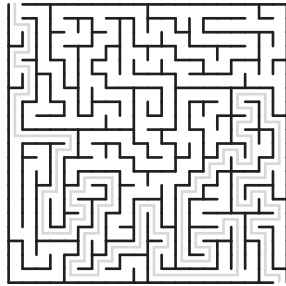

BENEFITS OF ATTENDANCE

- LEARNING SUCCESS
- KNOWLEDGE COLLEGE
- FRIENDSHIP UNIVERSITY
- COMMUNITY CAREER
- GRADUATION

Secret Message

When I go to class every day, not only do I get a better education, but I am setting myself up for success. Staying engaged with my classroom teaches me more than knowledge. It teaches me accountability, discipline, collaboration, problem solving, critical thinking, and much more.
